

P-40 Warhawk Aces

Presented by the Northern California Friends
Of the American Fighter Aces Association

August 31, 2008

Aerospace Museum of CA

Located at Sacramento's former McClellan Air Force Base, California.
3200 Freedom Park Dr, McClellan, CA 95652 -- Phone: 916.643.3192

Join us as we present our spring 2008 symposium and meet these "Warhawk" Aces who accounted for 37 destroyed enemy aircraft while flying during WWII. The day will provide an opportunity to personally meet and hear the Aces share their experiences flying in the Pacific & CBI Theater of Operations.

ACES THAT WILL BE ON THE PANEL

- ♠ Maj Bob Aschenbrener – 10 victory Ace with the 49th FG
- ♠ Col Joe Griffin – 7 victory Ace with 23rd FG
- ♠ Capt Lynn Jones – 5 victory Ace with 23rd FG
- ♠ Col Jim Morehead – 8 victory Ace with the 49th FG
- ♠ LtCol Sammy Pierce – 7 victory Ace with the 49th FG

*** In addition to the Aces on the panel, we also expect other Fighter Aces and Aviators to be present and participate in the day's events.*

The Northern California Friends is associated with the American Fighter Aces Association and is a not-for-profit, all-volunteer organization. Our mission is to present the history of the American Fighter Pilot and Fighter Ace.

Do not miss this opportunity to meet these Aces as they share their experiences flying and fighting in the P-40 during the Second World War. The event presents the opportunity to personally meet and chat with the Aces during the mixer, hear their stories during the moderated panel discussion and get their autographs.
